

**A CHANCE FOR INVESTMENT.**—We have been favored by D. Pittock, Pittsburg, Pa., with a "Prospectus of the Munchausen, Philosopher's Stone and Gull Creek Oil Company; capital stock \$4,000,000,000; working capital \$37.50; and dividends semi annually. Sundays excepted; territory 754,000,000 acres in fee simple, and the exclusive right to bore on the thirtieth part of an acre on Gull Creek (coal privilege on this lease); river frontage on Cheat river unlimited; on Gull Creek still larger and fully adapted to hydraulic boring; S. W. Iodle, President; Hon. R. Ascal, Vice President; D. Faulter, Treasurer; S. Teal, Secretary; Oily Gammon, Legal Adviser; Lemuel Gulliver, Hon. C. Heat, Baron Munchausen, &c., Directors." We have not been able to pay much attention to Oil operations, and expect to leave them alone till the rebellion shall have been suppressed and peace restored to our country; and we cannot say how the brilliant prospects exhibited by this company to investors compare with those of rival speculations; but some of the statements made in the prospectus—as to striking veins of Cooking Butter, Shoemaker's Wax, Ale, Quinine, &c.—seem to border on the marvelous. Those who are tempted to operate will find the prospectus (we believe) with the American News Company, No. 121, Nassau street.—*N. Y. Tribune.*
